## THE EARLS OF ESSEX: A TALE OF NOBLE MISFORTUNE (HARDBACK)

Fonthill Media, United Kingdom, 2017. Hardback. Condition: New. Language: English . Brand New Book. This is the dramatic, often erratic, and at times unbelievable story of the fortunes and misfortunes over 900 years to the present day of one of England's premier aristocratic families, who in 1661 were given the Earldom of Essex by Charles II. This fascinating, previously untold story begins just after the Norman Conquest with a Hugh Capel in AD 1100 and ends at the present day, with Frederick Paul de Vere Capell, 11th Earl of Essex and the future heir presumptive, William Jennings Capell, a former shelf stacker, who lives in Yuba City, California. Over a period of 400 years the Capell family built a fortune, and over the next 500 years lost it due to an incredible number of mistakes bad judgment calls, and misfortunes. Lord Arthur Capel, one of England's richest men, changed sides from Parliament to support Charles I, and after a further series of poor decisions, was executed at Palace Yard, Westminster at the age of 41 in 1649 by the same executioner, using the same axe as had executed King Charles I barely three months earlier. His son, also Arthur Capel, created 1st Earl of Essex by Charles II became involved in a plot against the king, and was mysteriously found with his throat cut whilst awaiting trial in the Tower of London. Did he commit suicide to avoid the consequences of treason and to save the estates and titles for his son? Conspiracy theories abounded. The king commented sadly that he owed the Earl's father had died for his father, and he owed him a life and would have spared him. Arthur's young son became the 3rd Earl and went down in history as `the most...
