

New Trader, Rich Trader: How to Make Money in the Stock Market (Paperback)

By Steve Burns

WWW.Bnpublishing.com, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. I love the structure of this book: Steve Burns points out huge differences between winners and losers in every area of the market. Each chapter takes up a pair of opposites, such as New Traders try to prove they are right; Rich traders admit when they are wrong. Dozens of such pairs offer a psychological mirror to serious readers. -Alexander Elder Here is a work that puts the reader in the mind of a fledging trader who makes all the mistakes then learns from them. Told in an instructive and entertaining narrative, the author takes the reader through the trading concepts with a clarity and ease of understanding. A must read for beginning and intermediate level traders. -Dr. Chris Kacher, co-founder of and co-author of How We Made 18,000 in the Stock Market You have done a truly tremendous job with this book! A breezy read with essential trading advice. I think this book could become a trading classic! So many great rules are offered in this book, but I think my favorite might be Chapter 8 s. It is SO true!...
