Trafford Publishing, Canada, 2009. Paperback. Book Condition: New. 216 x 137 mm. Language: English . Brand New Book ***** Print on Demand *****.In the modern lingo, this is what is called crunch time . As we approach the end of one era and are about to move into another era (the when time is known only by the One God) the question becomes, Who do you serve? It is an appropriate question among those who call themselves believers or those who show interest. There are many deceivers who would try to deceive the weak-minded and even the very elect if they could. Yet they accomplish nothing but their own destructions due to the fact that their hearts are locked up from receiving the light and thus they are blind. This corruption does not have boarders of race, politics or any named religion. Darkness is not repelled by magic words or any named religion. If that were so, then any little Anti-christ would be held blameless. Did one think that the false Christian Montanus or the Arab Musailama who claimed himself a Muslim were in actual fact what they claimed to be? Careless thinking and the denial of the Oneness of truth handed down from the beginning has led to great confusion amongst today s religionists. Compound this with the feeling that religion is just for fools and losers or that religion is just too boring and impractical in these modern times and it is easy to see why the human race is feeling somewhat lost in making sense of it all. It doesn t have to be that way if one chooses otherwise.
